2- Note relating to green bonds

It should be noted that, the green bonds, social bonds, sustainability bonds and sustainability-linked bonds that may be held by the UCITS must at least comply with the Green Bond Principles, the Social Bond Principles, the SBG (Sustainability Bond Guidelines) and the Sustainability-linked Bond Principles, respectively. These principles and guidelines are all published as part of the ICMA (International Capital Market Association) Principles and are available in the Sustainable Finance section of the association's website: <https://www.icmagroup.org/sustainable-finance/>.

3- Sustainable investments

The percentage of sustainable investments in the SFDR annex is increasing from 10% to 20%.

These changes will take effect on 10 May 2024.

The legal documentation (key information documents (KIDs) and prospectus including the SFDR annex) is available from Natixis Investment Managers International: www.im.natixis.com.

It will be sent to you within eight working days of receipt of a written request to:
